Synergy – Empowering Strength. Inspiring Excellence.

1. ABOUT SYNERGY

Vision & Mission

Synergy – the Sports Society of Indira Gandhi Delhi Technical University for Women (IGDTUW) – is the institutional home of athletic excellence, team spirit, and competitive ambition. The society's mission is to provide every IGDTUW student with structured sports training, inter-university competitive opportunities, and the platform to represent the institution with pride at all levels of competition.

Role of Sports in Holistic Development

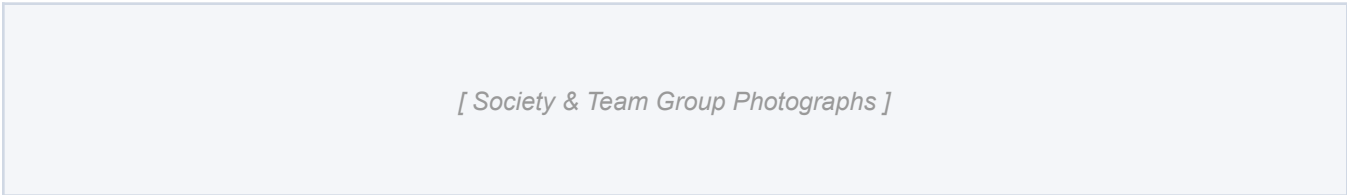

At IGDTUW, Synergy ensures that students are equipped not only with academic credentials but with the competitive instincts, mental fortitude, and collaborative skills that modern professional life demands. The rigour of training, the pressure of competition, and the maturity that comes from both victory and defeat are lessons that no classroom can fully replicate.

Contribution to Campus Culture

Synergy is the beating heart of IGDTUW's extracurricular life. Through intra-college tournaments, selection trials, coaching sessions, and representation at premier inter-university festivals, the society has built a culture where sport is discipline – not merely recreation. The society's open selection policy ensures students from every department and academic year are welcome to compete.

Commitment to Excellence – 2025 Season

In the 2025 competition season, Synergy represented IGDTUW at over 20 events across 10+ premier institutions including IIT Kanpur, IIT Delhi, IIT Roorkee, DTU, LNMIIT, ADGIPS, Shaheed Rajguru College, Symbiosis, and Shiv Nadar University. The society fielded teams in Basketball, Football, Volleyball, Athletics, Badminton, Chess, Kho-Kho, Table Tennis, and Taekwondo.

Khelo India Women's League – Phase 1	Zonal / National	Bronze	—
Khelo India Women's League – National	National	5th Rank	National-level performance
TFI Nationals	National	5th Rank	National-level performance
Asian Taekwondo Union Poomsae Seminar	National (India Taekwondo)	Participated	Best Player Award

4. MAJOR HIGHLIGHTS & MILESTONES — 2025

The following milestones define Synergy's competitive identity and growth in the 2025 season:

Basketball – Double Podium	IGDTUW Basketball secured Silver & Bronze at Astitva'25 (ADGIPS) and followed with a Silver at Udghosh'25 (IIT Kanpur), making it the team's strongest multi-event season on record.
Badminton – Three-Festival Run	Three consecutive inter-university appearances at LNMIIT, IIT Delhi, and DTU – including two semi-finals and a Silver – confirm Badminton as one of Synergy's most consistent podium sports.
Chess – Gold at Spardhaa'25	Tripti Bansal and Prathivya Gupta claimed 1st position at Spardhaa'25, while the chess squad simultaneously competed at IIT Kanpur, DTU, and IIT Delhi – a landmark multi-front season.
Taekwondo – IIT Roorkee Gold + Best Player	At Sangram (IIT Roorkee), IGDTUW's Taekwondo athlete claimed Gold and the Best Player Award. Combined with national 5th-rank finishes at Khelo India and TFI Nationals, this represents IGDTUW's strongest individual sporting campaign.
Football – First Udghosh Podium	The Football team's Bronze at Udghosh'25 (IIT Kanpur) is a historic first – IGDTUW's first recorded medal at this prestigious festival in football, signalling the sport's rapid development within Synergy.
Athletics – 9 Events, 1 Festival	At Aahvan'25, IGDTUW athletes competed across nine separate athletics events from sprints to field events. The 4×400m Relay and Shotput teams earned 3rd place, reflecting strong depth across the squad.
Broadest Institutional Reach	2025 saw IGDTUW compete at IIT Kanpur, IIT Delhi, IIT Roorkee, DTU, LNMIIT, ADGIPS, Shaheed Rajguru College, Symbiosis, Shiv Nadar, and more – the widest inter-institutional sports footprint in the society's recent history.

5. PARTICIPATION & ENGAGEMENT IMPACT

Scale of Student Involvement

In the 2025 competition season alone, Synergy fielded 150+ student participations across 10 sports disciplines. Many athletes competed in multiple events and tournaments, reflecting strong engagement, commitment, and team culture.

Metric	Value	Remarks
Active Sports (2025)	10	Basketball, Football, Volleyball, Athletics, Badminton, Chess, Kho-Kho, Table Tennis, Taekwondo
Events in 2025 Season	20+	January – October 2025
Student Participations	150+	Many athletes competing across 2+ disciplines or events
Institutions Visited	10+	IITs, DTU, LNMIIT, ADGIPS, Shaheed Rajguru, Symbiosis, Shiv Nadar
Podium Finishes	8+	Gold, Silver, Bronze across Basketball, Badminton, Chess, Football, Athletics, Taekwondo
National-Level Appearances	3	Khelo India, TFI Nationals, Asian Taekwondo Union Seminar

Inclusivity & Student Growth

Synergy's 2025 growth is measured not only in medals but in the diversity of participating students. First-year students competed alongside seniors at prestigious IIT-hosted festivals. Athletes across disciplines like Table Tennis, Kho-Kho, and Volleyball participated at events attended by India's top technical universities. This reflects a society that is growing in depth, ambition, and institutional reach.

Leadership & Skill Development

Team captains and squad coordinators developed critical real-world competencies – strategic thinking, group motivation, logistics management, and professional communication – through their roles in Synergy. The society's student-led operational model ensures every member contributes meaningfully to institutional outcomes both on and off the field.

6. EVENTS ORGANISED BY SYNERGY

Synergy's contribution to IGDTUW extends beyond external competition. The society actively shapes the campus sports calendar through internally organised events and year-round athletic development initiatives.

Intra-College Sports Tournaments

Annual intra-college tournaments are organised across all active disciplines at the start of each semester. These serve as selection platforms and standalone competitive events, creating a vibrant in-campus sports culture accessible to the entire student body.

Selection Trials & Team Formation

Open, merit-based selection trials are held each semester. Students from all years and departments are invited to try out. This ensures Synergy's competitive squads always reflect the best available talent at IGDTUW, and no eligible student is excluded.

Training & Practice Sessions

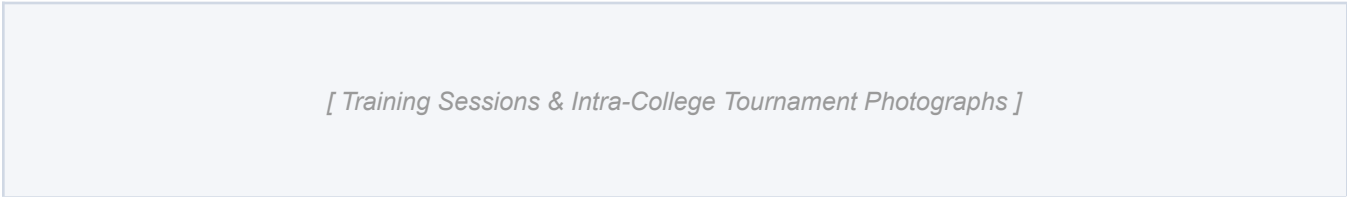

Synergy maintains regular weekly training schedules for all major disciplines in coordination with college facilities. Coaches, senior athletes, and external specialists contribute to structured skill development that prepares teams for competition year-round.

Awareness & Wellness Workshops

Workshops on sports nutrition, injury prevention, warm-up protocols, and mental resilience are organised periodically for active athletes and open to the broader student community, reflecting the society's commitment to sustainable, informed athletic practice.

Collaboration with Campus Bodies

Synergy collaborates with the NSS, Student Council, and Cultural Committee on joint events and campus-wide sports festivals, ensuring that the spirit of athletic excellence permeates every dimension of life at IGDTUW.

7. TESTIMONIALS

The following testimonials capture the experiences of student athletes, team captains, and faculty during Synergy's 2025 season.

"Competing at Udghosh'25 at IIT Kanpur was one of the proudest moments of my time at IGDTUW. The preparation that Synergy provided – structured practice, strategy sessions, and inter-university exposure – made all the difference. Winning Silver as a team, against universities with far larger sports programmes, shows what focused commitment can achieve."

— Basketball Team Member, IGDTUW | Participant Athlete

"Leading the Badminton team through three consecutive inter-university appearances – two semi-finals and a Silver – was a tremendous learning experience. Synergy gave us both the platform and the preparation to compete at the highest level. The team's consistency this season reflects the trust the society places in its athletes."

— Divya Joshi, Captain – Badminton Team, IGDTUW | Team Captain

"The scale and ambition of Synergy's 2025 season has been genuinely impressive. Representing IGDTUW at twenty-plus events across ten institutions, with a team of undergraduate students balancing demanding academic programmes, reflects exceptional determination. The results speak to the quality of both the athletes and the institutional support behind them."

— Faculty Coordinator, Sports Committee, IGDTUW | Faculty Coordinator

"I had never imagined I would be playing Chess at an inter-university festival in my first year. Synergy's trials were welcoming and the mentorship from senior players was invaluable. Competing at IIT Delhi's Rendezvous'25 has shaped my confidence both as an athlete and as a student far beyond what I expected when I first joined."

— First-Year Participant – Chess Team, IGDTUW | First-Year Student

8. CLOSING NOTE

The 2025 competition season reaffirms what Synergy has always stood for: the belief that every student of IGDTUW deserves the opportunity to compete, grow, and represent her institution with excellence. This report documents not just medals and podiums, but the collective effort of over 150 student athletes who trained with discipline, competed with courage, and carried the name of IGDTUW to institutions across India.

The Basketball team's double podium and Silver at IIT Kanpur; the Badminton team's three-festival podium run; the Taekwondo athlete's Gold and Best Player Award at IIT Roorkee; the Chess team's 1st position at Spardhaa'25; the Football team's historic debut podium at Udghosh'25 – each of these moments belongs to the entire Synergy community.

As Academic Year 2025–26 continues, Synergy is committed to building on this foundation. New tournaments will be entered, new sports will be explored, and training infrastructure will be further strengthened. The vision is clear: to establish IGDTUW as one of the foremost women's sports institutions among technical universities in India.

The society thanks the university administration, faculty coordinators, coaches, and the families of every athlete for their support throughout the year. And to every student who wore the IGDTUW colours in 2025 – your effort, your resilience, and your excellence have made this report possible.

Synergy – Empowering Strength. Inspiring Excellence.
